Editorial Board
Transfiguration Today

Dear Editor

On behalf of my co-authors, I am writing to submit an original article for publication in *Transfiguration Today* entitled, "The History of Animagus."

In this study, we found the greatest something.

It is very intersting and important thing.

We believe that this paper will be of interest to the readership of The History of Animagus because it is very very interesting.

This manuscript has not been published previously in any form, nor is it under consideration by another journal. We have read and understand the journal's policies, and neither the manuscript nor the study violates any of these. We have had no prior discussions with a Transfiguration Today editorial Board Member about the work described in the manuscript.

The two individuals named below would be well qualified to serve as reviewers of this manuscript:

- Prof. Bathilda Bagshot, Independent Researcher: bagshot@gmail.com
- Mr. Amos Diggory, Ministry of Magic: a.diggory@mcreatures.gov.uk

Finally we respectfully request that you exclude Load. Voldemort, Death Eater and Prof. Igor Karkaroff, Durmstrang Institute as referees, since they have exhibited bias against our work in the past.

- Load. Voldemort, Death Eater: load.voldemort@deatheater.com
- Prof. Igor Karkaroff, Durmstrang Institute: igor.k@durmstrang.edu

Sincerely yours,

Harry Potter
